Dear Parents/Carers

Nursery

The Nursery children have all settled well and are enjoying exploring the Nursery environment. They are learning new skills, looking after the animals, making new friend, getting messy and having lots of fun!

Year 6 Science

In Science, Year 6 pupils have started learning about Light and Shadows this term. Last week, they investigated how different materials allow different amount of light through them thus making them transparent, translucent or opaque.

The latest winners are:

Earley Pierre: 4PB – 99% attendance

19th September, 2018

School Lunches

Please note, the cost of a school meal is £2.05.

Please may we ask all parents/carers whose children are in Years 3-6 and order a school lunch to check their account regularly to ensure credit is available.

Parents/carers are able to pay for school lunches using the SCO-pay online system. If you do not have your login, please contact the school office who will be able to send you your login details.

Parents/Carers are reminded that it is their responsibility to ensure their child's dinner money account has credit available. Thank you.

School Prayer Meeting

Every Monday morning at 8.50am a school prayer meeting is held on the school bus. Please do come along, all are welcome. For further details, please call Miriam Barlow on 07748 814436.

Nut Allergies

We would like to emphasise the fact that a number of children within the school have severe nut allergies. With this in mind, we would ask that all parents make their children aware that they should NEVER share their snack or lunch box contents with another child. It would be particularly helpful if you could avoid putting any products in your child's snack or lunch box that contain nuts, as merely being close to a child with a nut product can set off a child's allergic reaction. Thank you for your co-operation.
