

Health and Safety Statement

Date: Spring 2021
Review Date: Spring 2022

EARLEY ST PETER'S CE PRIMARY SCHOOL HEALTH AND SAFETY STATEMENT

Earley St Peter's CE Primary School is committed to providing and maintaining a safe and healthy working environment for our staff and for ensuring that the schools' premises and activities do not adversely affect the health and safety of our pupils or any other people. The school's aim is to integrate health and safety into everything we plan and do so that it becomes an intrinsic part of our culture.

The Head Teacher and the Governing Body recognise and accept their responsibilities by:

- providing adequate control of the health and safety risks arising from the school's work activities
- consulting with our employees on matters affecting their health and safety
- providing and maintaining safe plant and equipment
- ensuring the safe handling and use of substances
- providing information, instruction and supervision for employees
- ensuring all employees are competent to do their tasks, and to give them adequate training
- preventing accidents and cases of work-related ill health
- maintaining safe and healthy working conditions
- implementing emergency procedures for evacuation in case of fire or other significant incident
- implementing an annual review and revision as necessary of this statement including the organisation for its implementation and the health and safety procedures.

Mrs Hester Wooller
Headteacher

Tim Briffitt
Governor for Health and Safety

ROLES AND RESPONSIBILITIES

Headteacher

- Has overall day-to-day responsibility for health and safety and ensuring this statement, procedures and practices are implemented.

Employee H&S responsibilities:

- Take reasonable care of your own and other people's health and safety
- Follow the training you have received when using any work items given to you by your employer to use at work
- Co-operate with your employer on health and safety
- Tell someone (your employer, supervisor, or health and safety representative) if you think the work or inadequate precautions are putting anyone's health and safety at serious risk
