Dear Parents/Carers

Nursery – Outdoor Learning

Despite the wet weather the Nursery children had a great time outside for the day on Tuesday. We made bubble puddles sweeping and jumping in them. The children helped to collect and transport and put some more sand in the outdoor sandpit. They used their muscles to dig and carry wheelbarrows full of sand. We painted large cardboard pieces and large pebbles that we found. We had read the rhyming story 'This is the Bear' and 'The Picnic Lunch' so the children were making picnics in the mud kitchen and sandpit. The children decided to make a pirate ship with the large building blocks and then pretended the climbing frame was a ship and drew fishes and sharks in the water using chalks on the ground. We had fun with playdough making shapes and letters. They enjoyed throwing bean bags at the letter sounds on the shed seeing if they could hit the correct sound the adult shouted out. Some children decided to help Mrs Smith make the fire by screwing up newspaper and then enjoyed singing songs and playing instruments. We sat with our blankets around the fire and drank hot chocolate and had our snack. It was great fun.

Rules of Divisibility

This week Year 5 pupils were investigating the rules of divisibility. They had to find a missing number that did not fit any of the rules. Everyone worked together to check the numbers were placed carefully in the Venn diagrams. We had to think carefully about which multiples were divisible by two numbers.

Cooking

The children in Reception have been taking it in turns to do cooking every Friday. Each week a group of children plan what they would like to cook, check what ingredients they need and make a shopping list. They then visit the local shop to buy the ingredients before doing their cooking. This gives the children experience of weighing, measuring and handling money. This term's favourite recipe is chocolate chip cookies!

Parking

May I remind parents that parking or dropping off/picking up is not permitted in the Church or staff car park. If you park in neighbouring roads, please park with consideration during school drop off and pick up. There are additional car parking spaces in Sol Joel Park and as a school we would encourage parents to use this facility and come into school through the back gate.

Thank you for your support in this important safety matter, it is much appreciated.

Road Safety

You will remember that in September all the pupils spent time on a refresher course with the Louis Taylor Road Show. After the loss of our patrol crossing man, Mr Pink, we need to ensure our children understand the importance of road safety. Please reinforce the importance of road safety with your child.

Half Term Holiday Club: 12th -16th February, 2018

We plan to run our popular holiday club every day of the half term break. In order to ensure we have adequate staff and children are engaged in fun activities we would ask that you complete your booking forms (on the school website: http://www.earley-st-peters.wokingham.sch.uk/website/esp_play_club/186695) and return them to the school office or via email to espclub@earley-st-peters.wokingham.sch.uk NO LATER than Friday 2nd February.

Attendance Figures

This week's winners are:
Trophy: RSB – 96.1% attendance
Earley Peter: 2PD – 97.8% attendance
Earley Pierre: 3JS – 98.6% attendance

Have an enjoyable weekend.

Nut Allergies

We would like to emphasise the fact that a number of children within the school have severe nut allergies. With this in mind, we would ask that all parents make their children aware that they should NEVER share their snack or lunch box contents with another child. It would be particularly helpful if you could avoid putting any products in your child's snack or lunch box that contain nuts, as merely being close to a child with a nut product can set off a child's allergic reaction.

Thank you for your co-operation.
