Category 2

Children, one of whose parents is a regular worshipper (at least once a month for at least the 12 months preceding the application date) at Earley St Peter's Church. In order for an application to be considered under this criterion the parent must complete the school's Church attendance form (countersigned by the relevant Minister) and send this form directly to the School. For those who have recently moved into the area and are attending Earley St. Peter's Church, worship prior to the move at their previous Anglican church will be taken into account (so the total qualifying period will be regular worship at least once a month for at least 12 months prior to the application date). The parent will also be required to provide a church attendance form, countersigned by the relevant Minister of the previous church, with their application.
