

Christmas Cards

If you have no other way of sharing Christmas Cards, they can be placed in the collection points near the main gate each morning. The envelopes **MUST** have first name, last name and class to be delivered in school.

Last day for collection will be Monday 14th December to allow us to quarantine them before we give them to the children.

Assertive Mentoring

As we are unable to invite you into school this term to see your child's 'white folder' the summary report from the front of the file will be sent home during the last week of term.

Temperature in school

Please click on this link to help you understand why it is so important for us to have windows and or doors open in school this winter.
