

APRIL/MAY 2018 NEWSLETTER

TOGETHER WE ACHIEVE

The month of May is often a very difficult time for the children in school as the national assessments and phonic checks take place.

I want to wish all the children the very best for their assessments but I want them to know that no matter how well they do, we are already very proud of them. Amongst our children we have amazing musicians, sports persons, artists and historians to name but a few.

These skills the children have are not measured by assessments but we know who you are and how well you achieve and thrive in other skills and areas. National assessments are a small snapshot of the skills the Government want children to have, not what makes them the caring, confident individuals they already are.

If you have any questions about the year one phonic check or the key stage one/two national assessments please see your child's class teacher.

As always we are operating an open door policy, please feel free to catch any of us on the doors in the morning or make an appointment through the school office.
