

# Literacy Long Term Plan 2017-2018

## Purpose of study

English has a pre-eminent place in education and in society. A high-quality education in English will teach pupils to speak and write fluently so that they can communicate their ideas and emotions to others, and through their reading and listening, others can communicate with them. Through reading in particular, pupils have a chance to develop culturally, emotionally, intellectually, socially and spiritually. Literature, especially, plays a key role in such development. Reading also enables pupils both to acquire knowledge and to build on what they already know. All the skills of language are essential to participating fully as a member of society; pupils who do not learn to speak, read and write fluently and confidently are effectively disenfranchised. Barlby Community Primary are committed to ensuring that all children achieve to the best of their potential and use the following objectives for each year to ensure curriculum coverage and development.

### Year 1

#### Pupils are taught to:

- apply phonic knowledge and skills as the route to decode words
  - respond speedily with the correct sound to graphemes (letters or groups of letters) for all 40+ phonemes, including, where applicable, alternative sounds for graphemes
  - read accurately by blending sounds in unfamiliar words containing GPCs that have been taught
  - read common exception words, noting unusual correspondences between spelling and sound and where these occur in the word
  - read words containing taught GPCs and –s, –es, –ing, –ed, –er and –est endings
  - read other words of more than one syllable that contain taught GPCs
  - read words with contractions [for example, I'm, I'll, we'll], and understand that the apostrophe represents the omitted letter(s)
  - read books aloud, accurately, that are consistent with their developing phonic knowledge and that do not require them to use other strategies to work out words
- reread these books to build up their fluency and confidence in word reading

#### Pupils are taught to:

- develop pleasure in reading, motivation to read, vocabulary and understanding by:
  - listening to and discussing a wide range of poems, stories and non-fiction at a level beyond that at which they can read independently
  - being encouraged to link what they read or hear to their own experiences

  - discussing word meanings, linking new meanings to those already known
  - understand both the books they can already read accurately and fluently and those they listen to by:
  - drawing on what they already know or on background information and vocabulary provided by the teacher
  - checking that the text makes sense to them as they read, and correcting inaccurate reading
  - discussing the significance of the title and events
  - making inferences on the basis of what is being said and done
  - predicting what might happen on the basis of what has been read so far
  - participate in discussion about what is read to them, taking turns and listening to what others say
