COVID 19 - STAY ALERT STAY SAFE

11th May 2020

Dear Parents and Carers

I really hope you are all keeping safe and well.

Following last night announcement by the Government in which it was mentioned they would be looking to start a phased return of Reception, Year 1 and Year 6 pupils no earlier than 1st June, I just thought I would try and clarify a few points.

- At this moment in time we know no more than you do.
- We will work with individual families to ensure everyone is happy with the systems we have in place to keep everyone safe before your child is expected in school. Please try not to worry, you know your family circumstances and you can decide if your family will be safe with your child returning to school.
- I assume (but don't know) that key worker children will still be able to attend school in a childcare capacity.
- At some point in the near future we may need to ask you as parents your intentions about returning your child to school, this will ensure staffing and adequate space can be organised.
- The whole school's community safety will always be put first, if we feel at Barlby we cannot follow the Government guidelines and keep everyone safe this will be communicated with you. We do not, at the moment, have a full staff team available to work in school and this will be a factor into how many children we can have back at any one time.

I am sorry we do not have a clear plan, but as always as soon as we have more information it will be shared with you.
