

# MAY 2021 NEWSLETTER

## TOGETHER WE ACHIEVE

Just as the end looks to be in sight, COVID rates in Selby have shot up. Please help us to keep the school community safe and all the bubbles open. If your child or anyone in your household has COVID symptoms, please keep your child away from school and get a COVID test. Please continue to keep 2m apart whilst on the school site, follow the one-way system and please don't try and speak to staff at the classroom doors. If you need to pass a message on, please either phone the school office or email the teacher you need to speak to. Hopefully, we will be able to relax these rules soon but for now we need to focus on keeping the school open and the children safely in school.

You will notice on this newsletter we are hopeful that the end of term will see some 'normal' activities. Please bear in mind all the dates are provisional and will only take place if Government guidelines allow. We have tried to make everything as late in the term as possible in the hope we can carry out the planned activities.

As always, we are here to answer any questions or queries, or if you have any comments to make about the school in general, please do not hesitate to drop us an email or telephone the school office.

Kind regards

Mrs J Baker

Head Teacher
