Family Learning Opportunity

Helping you to help your child: Keeping Up with the Children in Literacy

After the success of our Family Learning last term based upon supporting children's maths, we are inviting Vicki back to offer a chance for parents and carers to find out more about supporting reading and phonics; spelling, punctuation and grammar; writing different types of text and more!

No prior knowledge is required. The sessions will be relaxed and friendly so that you can get the most from them. The sessions will run on Tuesday mornings between 9:15 - 11:15am, starting Tuesday 25th February for 5 weeks. If you are interested, please return the reply slip by Monday 3rd February.

If you have a younger child at home, childcare can be funded while you attend the sessions. Please contact your Family Learning tutor for more information and to sign up - Vicki on 07968 992495. Or speak to us at the school!

If you have any further questions about this project, please do not hesitate to contact me or pop into the office.

Many thanks,

Mrs E Busby
