9th February 2018

Dear Parents,

What a week! We started the week very positively, it was great to see so many of you at Parents' Evening on Monday. Then the snow and ice caused us some disruption, our village and school even made an appearance on ITV news.

STEM Days

We had an AMAZING couple of days and all of the children were excited and inspired by the engineers that visited us. All of the children had the opportunity to listen to presentations and ask questions to help them design their own invention. The completed designs will now be entered into the 'Primary Engineers Leaders Award Competition'. Thank you very much to all the engineers and Mrs Wood for arranging this exciting opportunity.

Ready, Steady, Read

Due to the school closure we didn't get to see you all on Wednesday afternoon but we hope that you have all encouraged your children to read this week. We have read in school as well, so ensure your child adds these minutes to their totals. Please remember that all of the sponsorship money is due in school by Friday 23rd February. Hopefully we will have lots of money to buy new books.

Safer Internet Day 2018

Please remember that it was Safer Internet Day, last Tuesday. If you didn't get the chance, then please have a look at <https://www.saferinternet.org.uk/safer-internet-day/2018/sid2018-education-packs/education-pack-parents-and-carers>

Character Learning

This week our virtue is 'Friendliness'. The children have been thinking about the qualities of a good friend and how to listen to others carefully.

Health and Wellbeing

We hope that you have a wonderful half term and are able to get out and about or even have the time to do some family cooking! Have a look at <http://www.childrensfoodtrust.org.uk/childrens-food-trust/parents/cooking-with-kids/> for some great practical ideas.
