

# Helston Primary Sport

Autumn Term 2017

It has been an exciting start to a new school year for all of the Helston Primary Schools. Helston has seen so many great sporting events taking place this term and a record number of children participating.

## Gymnastics Competition

On Thursday 30th November 2017, KS2 children from the Helston Primary Schools took part in a gymnastics competition at Mullion gymnastics club. This was split into club and non club gymnasts.

In the non club team competition Godolphin came first and in the club team Nansloe came first. Both of these teams progress to the Penryn finals in February. Photographs of winning teams.

Well done to all of the children who took part, 17 teams from across the 12 schools. It was a lot of fun and a great experience to use Mullion Gymnastics Club. Many thanks also goes to the young leaders from Mullion Secondary School who worked alongside the children throughout the activities.

We look forward to holding the KS1 gymnastics competition at Mullion in the Spring Term.

## Cross Country

Cross Country has once again been a very popular league this year. Four races have been completed across Porthleven, Helston and Mullion with 2 more meets to go. In addition we have the fun run and medal ceremony in the Summer Term. The Cross Country Finals at Pool are scheduled to take place on Wednesday 21st February 2018, good luck to the children who have qualified.

## Autumn Term 2017

### Rugby League

This year the Rugby League has returned. Nansloe Academy are currently top of the League but there are still a lot of matches to play in the Spring Term. The children have adapted brilliantly to the new League Rules. The skills and team work shown has been amazing from all schools taking part. Thank you to all teachers who have helped with refereeing.

### Swimming Gala

On Friday 24th November 2017 all 12 Helston Cluster Schools took part in the year 3/4 and 5/6 swimming gala. It was a fantastic event with some outstanding swimming taking place. The year 3/4 and 5/6 winning school was Parc Eglos.

Parc Eglos year 6 girls and 5/6 boys and Nansloe year 5 girls will represent Helston in the Finals.

The Sainsbury's School Games Mark Award is a Government led award scheme launched in 2012 to reward schools for their commitment to the development of sport across their school. Well done to the schools who have achieved Bronze and Silver Mark Awards this year. This is an Ofsted recognised award.

Please remember that this year you need to apply before the end of the school year.

### Badminton Competition

On Friday 29th September 2017 a year 5/6 badminton tournament took place. It was a close competition with 13 teams taking part. Godolphin A team came first, winning all of their games and Godolphin B team came a very close second. Good luck in the finals.
