Dear Parents,

FOH Spring Fayre

Thank you very much to our FOH who raised a brilliant £700.53 on Saturday morning. All of this money goes back into our school and is for our children so thank you to everyone who came and supported this event.

Cross Country

Well done to Noah, Ruan, Izzy, Lily Sm, Ashlee, Jago and Rhys who took part in the Cross Country on Tuesday. They gave it their all and represented our school brilliantly.

Trevaskis Farm

Robins Class visited Trevaskis Farm this week in support of their Sow it, Grow it, Cook it, Eat it topic. Although it was very, very muddy, it was great fun and a really big adventure! They learnt lots of information about how plants grow. A very big thank you to all of the adults that helped on this trip.

World Book Day

All of the children look fantastic today. Thank you very much for taking part and making the effort for our delayed World Book Day celebrations.

Start of the school day

When we return to school it will be the final term of this academic year! To build the children's independence, can you please ensure that you drop them off at Reception (Year 2,3,4,5 & 6) and encourage them to walk through to their classrooms independently; our prefects will be there to help if needed. We do have an open door policy, but if you need to speak to the class teachers then please make an appointment with the office. We are concerned at the number of parents still in the school building once the bell has gone for morning registration to begin. Please can we ask parents to leave promptly so that, for the purposes of visitor management and fire safety, we know who is on site. All parents and visitors on site during the school day need to sign in at the office. Thank you.

Health and Wellbeing

Let's hope the sun shines over the Easter and we can all get out for walks, bike rides, scooter rides, to the park or the beach. Remember to send in your favourite walks or activities for this section of our newsletter.

Have a fantastic Easter break.
