Dear Parents,

**Film, Farm, Fork**

As you may have heard, in Elm class we have started a new project called 'Farm, Fork, Film'. Every Monday, your children will be taking part in activities, either cooking, gardening/farming or filming. The purpose of this project is for children to gain key life-skills and develop their learning in a practical, skill-based environment.

To ensure this process runs smoothly, I am asking you to please send your child/ren in with the following equipment.

**Please check this rota weekly as your child/ren will change group every week.**

- If your child is in **FARM** group, they will need to bring in wellies, long trousers and a coat/jumper that they do not mind getting dirty.
- If your child is in **FORK** group, they will be cooking and will need to bring in a small container.
- If your child is **FILM** group, they do not need to bring in anything.

Your child will know which group they are in.

Yours sincerely,
