

# Easter Egg

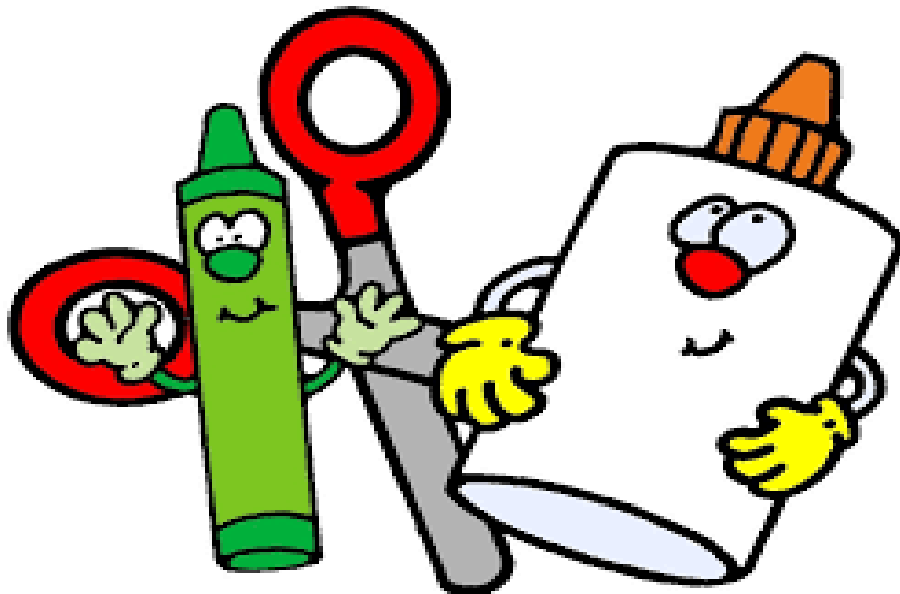

# Competition

Every year the PPSA purchase polystyrene eggs for every child in the school to take home over the Easter holidays to decorate. This year we are sending home a wooden egg to tie in with the eco-friendly school that we are. They can be decorated how the children wish. Simply coloured in or made into a scene.

Over the years we have seen some **eggcellent** creations. What will you come up with?

There will be two prizes per class to be won. You've got to be in it to win it!

Please bring your entries to school on Tuesday 20th April for judging.

**Happy crafting from all the PPSA team!**
