10th March 2021

Dear Parents/Carers,

As you will know, we have been developing a school farm area with the goats and chickens, as well as the existing allotments and polytunnel. Our outdoor learning curriculum is a great strength and is supported by membership to various charities who offer guidance on the development of school farms and garden areas. One of these is the LEAF charity. In order to obtain our bronze award from them, a member of their team will be visiting the class on **Wednesday 17th March**. She will be working with the children on some of their learning about weather and climate and how this links to farming, as well as looking at our different farm areas. As part of this visit she would like to film the class, and this material would be used by LEAF in some of their promotional material to promote Farming Fortnight.

If you would like to find out more about LEAF and the work they do, their information can be found online at <https://leafuk.org/>

Please could you indicate on the form below whether you are happy for your child's image to be used by LEAF and also complete the attached Leaf Consent Form and return it to the office by **Monday 15th March**.

With Thanks.

Yours sincerely

Clare Wiggs
Ash Class Teacher

Leaf Consent form

Child's name:.....

GIVE CONSENT for my child's image to be used by LEAF and I have returned the LEAF consent form.

I DO NOT GIVE CONSENT for my child's image to be used by LEAF (PLEASE UNDERLINE).

Signed:.....date.....
