## Privacy Notice for Staff

Under data protection law, individuals have a right to be informed about how the Trust uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals we employ, or otherwise engage, to work at our school.

We, Diocese of Ely Multi Academy Trust, Grace Building, 8 High Street, Ely, CB7 4JY, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Joanne Patterson (see 'Contact us' below).

### The personal data we hold

We process data relating to those we employ, or otherwise engage, to work at our school. Personal data that we may collect, use, store and share (when appropriate) about you includes, but is not restricted to:

- Recruitment information, including copies of right to work documentation, references and other information included in a CV or cover letter or as part of the application process

- Performance information
- Outcomes of any disciplinary and/or grievance procedures
- Absence data
- Copy of driving licence

- Race, ethnicity, religious beliefs, sexual orientation and political opinions
- Trade union membership
- Health, including any medical conditions, and sickness records

## Why we use this data

The purpose of processing this data is to help us run the school, including to:

- Enable you to be paid
- Facilitate safe recruitment, as part of our safeguarding obligations towards pupils
- Support effective performance management

## Our lawful basis for using this data

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

- Fulfil a contract we have entered into with you
- Comply with a legal obligation
- Carry out a task in the public interest

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way
- We need to protect your vital interests (or someone else's interests)

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the school's use of your data.

## Collecting this information

While the majority of information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

## How we store this data

We create and maintain an employment file for each staff member. The information contained in this file is kept secure and is only used for purposes directly relevant to your employment.

Once your employment with us has ended, we will retain this file and delete the information in it in accordance with our [Record Retention Schedule/Records Management Policy](#) via our website:

<http://demat.org.uk/compliance/>
