Transition Arrangements

This term is a busy one for transition as the Year 6s prepare to move to secondary school and the other children prepare to move up to a new year group; for some this will mean a new teacher. As well as the more informal transition work we are doing, we have a whole school transition day on 20th July. For next year's Ruby Class it has been fantastic that Mrs Prosser is spending so much time in school. The children are all getting to know her, and she is getting to know them. In September we will be holding 'meet the teacher' meetings for parents. We hope this will be face to face and you will get to come in to school!

Year 2 Overnight Stay

Last week year 2 had their school sleepover. The children enjoyed a bouncy castle, games, swimming and a barbecue tea before a story and bed. The following morning after a very early start the children enjoyed a relaxing yoga session before a breakfast of toast, cereal, croissant and orange juice. We are so proud of all the children - they were amazing!

Clubs

Our clubs continued this week and it looks like we have some Wimbledon stars of the future!

Drusillas Trip

Emerald Class went on a fantastic trip to Drusillas as part of this term's topic. The children took part in a Habitats and Adaptations workshop, learning about the amazing things that animals do to adapt to their environment. Of course there was also time for the playground at the end of the day!

Year 3 Overnight Stay

Last week was a very busy week with year 3 also enjoying a school sleepover having missed out last year due to Covid. Throughout the day the weather hadn't been kind but the rain stopped to enable the children out to the playground for an evening of fun. Year 3 also had a bouncy castle, games and enjoyed a fun swim. They all enjoyed their barbecue tea and were really polite thanking Mrs Fitzgerald for cooking for them. After settling down for bed the children slept brilliantly.

Hindleap Warren Trip

Today Emerald Class left for their week long residential stay at Hindleap Warren.

Each day we will post photos on the school website so you can see what fun everyone is having!
