SCAVENGERS AND SETTLERS

Herons, Kingfishers and Swans have been taking part in some exciting learning linked to their current topic. The children learnt about how fossils occur and had the opportunity to create a mould to cast their own fossil. In another session they created some cave art using authentic colours and symbols. The children worked on vertical surfaces to simulate the cave walls and even had the chance to lie on the floor and create their art on the underside of the tables as if they were Stone Age artists drawing on the ceilings of the cave. As you can see they created a fantastic display of all their artwork.

ATTENDANCE

KS1 attendance award- The classes with the best attendance this week were Wrens and Swifts with 98.2%. Well done!

KS2 attendance award- The class with the best attendance this week was Swans with an impressive 99.3%. These classes will be looking after the attendance Yeti for the week.
