### 3H transport school back in time to the Mayans

3H informed and entertained Barnes Farm pupils as well as family members with their enjoyable journey back in time to describe aspects of the Mayan

civilization. We heard about how the temples were built, chocolate made and number systems used as well as so many other contributions to the way we live our lives today. Thank you to 3H for preparing and performing and particularly to Mrs Hollick and Mrs Punt for their key part in this.

### Parent Volunteers needed on Thursday afternoon 13<sup>th</sup> December

Do you have any time to help the school label up new and existing books onto our accelerated reader scheme on Thursday afternoon on 13<sup>th</sup> December? No prior knowledge is necessary as the session will be introduced and monitored by Miss Maure (Reading Lead teacher). All we need is just some dedicated time to help the school complete an ambitious project which otherwise would take ages! If you can assist the school, please sign up at the office or email your commitment in.

### Mandarin Club

Mrs Huang was so pleased with the final Mandarin club where they investigated the Chinese Advent calendar 九九消寒图 which consists of 9 characters. They can be written in 9 steps which means if you practise each part every day you will be finished in 81 days (and Winter will have passed us by).

### Y4 plan to receive First Aid training

Y4 pupils are due to receive some vital first aid training on Monday 3<sup>rd</sup> December. The school has requested donations to fund this enrichment activity but we have only received 80% of the expected donations yet. If you are yet to contribute, please do so via Parentpay as soon as you can.
