

Sports Premium Statement 2017-2018

Amount allocated: £18690

Our vision at St Teresa's Catholic Primary School is to use our School Sports Premium to create a culture that encourages all children to be active and have a positive attitude towards physical activities and healthy lifestyles. We have used our funding this year to continue to develop our teachers so they may teach high quality PE and to offer a good level of competitive sports both within our school and at events in the local community. We have looked at ways to extend the range of physical activities on offer to the children, during PE lessons and clubs, whilst promoting and improving physical activity during playtimes.

Item	Approximate percentage of allocation	Objectives/outcomes on pupils PE and Sport participation and attainment
Support for Teaching staff to encourage differentiation and extending our high ability sporting children.	50%	We employed a PE Teaching Assistant (TA) to assist with the teaching of PE during class time alongside the class teacher. This enables us to teach high level PE but also to extend the high ability sporting children. With our PE TA we are able to offer a wider range of sporting activities which are additional to the school day. The PE TA has promoted further opportunities to increase our number of competitive fixtures with other schools in a variety of sports. The PE TA has helped to foster the increased awareness of the importance of physical activity through a variety of means such as themed weeks (healthy living) and active break times.
Improve equipment to support and improve the range of PE lessons throughout the school.	20%	The following equipment has been purchased throughout this academic year: <ul style="list-style-type: none"> • New Age Kurling sets • Ultimate Frisbee set • Tennis balls • Spot markers • Bibs for inter-house competitions • Hockey balls and storage
Improve storage of PE equipment	15%	To maintain our equipment we purchased some more durable outdoor storage units: <ul style="list-style-type: none"> • Outdoor shed for KS2 equipment • Heavy duty matting and racking • Stackable storage bins
Active Maths	5%	WE have purchased a license for the Active maths scheme for all staff members to use to promote physical activity through exciting and practical maths lessons.

Improvement of facilities for active playtimes	9%	<p>We have purchased the following items to be used at playtimes in order to give pupils exposure to other sports:</p> <ul style="list-style-type: none"> • Outdoor table tennis tables and construction • All weather covers to protect the tables • All weather table tennis bats • Ping pong Balls
Improve the opportunities for children to engage with physical activity and sporting events	1%	<p>We held a Winter Olympic Week in school, which gave all children in the school an opportunity to learn about new sports whilst celebrating the achievements of our national team. During the week, cover was provided for our PE Co-ordinator so she could lead New age kurling demonstrations and participation sessions for all classes.</p>
