Better Never Stops

19th January 2018

Dear Parents and Carers,

Welcome to the end of a very cold and windy week!

Dates for next week:

Thursday 25th January: Whale Class Assembly (9.10am)

And beyond...

Thursday 1st February: Starfish Class Assembly (9.10am)

Tuesday 6th February: School Disco (Key Stage One 3.30-4.40pm; Key Stage Two 4.45-6.15pm)

Thursday 8th February: E-Safety Day (including parent workshops - further details below)

Please contact the School Office should you require any further information.

E-Safety Day

We are holding an E-Safety Day on Thursday 8th February, which will include workshops for the children delivered by e-safety expert, Andrew Gunn. Andrew will also be delivering workshops for parents on the day and I encourage all of you to attend if possible – he is very good! A letter with more information and times will be going out today also.

Healthy Snacks

Any snacks provided for Key Stage Two children at playtimes should be healthy (Key Stage One receive a free fruit snack); please do not send in crisps and chocolate. I would always recommend a piece of fruit (bananas being particularly good for energy) or toast/muffins are available for Key Stage Two from the canteen if you would like your child to have something hot. Thank you for your support.

I hope you all enjoy a lovely weekend.

Yours sincerely,

Mr Guy Walsh
Headteacher
