TERRACYCLE

Thank you so much to everyone who is bringing in their crisp packets, bread bags and confectionary bags to be recycled by the Friends of BVCP and BEL through the Terracycle scheme. Together we're helping the environment and raising money for our children. Terracycle have recently changed the criteria for some of their programmes so please see the attached poster in this email, which details what we can, and importantly, what we cannot accept - please only send in the packaging we can recycle as the rest just clogs up the system (and our garages!). Bonus points to those who empty and flatten their packets - you're my favourites!

As always, thank you for your continued support!

SCHOOL DISCO

Some of you may have down in your diaries a Halloween disco on the 18th October. We are sorry to announce that this is now cancelled, due to poor behavior of some children at the last disco and some school equipment was damaged. This decision to stop/cancel the disco was made by School and not the Friends. We are looking at alternatives locations for the future.

IT'S PARTY TIME
