

Happy New Year to you all!

Exciting news – Friends of BVCP have launched a lottery!

How it works: It's simple – choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes! One of our supporters will win a cash prize every week (30% of ticket sales). Every ticket has a further chance of winning £25,000 each week in a separate national draw! Tickets cost just £1 per ticket per week and 40% of all ticket sales are donated to our school.

The great news is that entry isn't limited to those with a connection to the school - it's a great way to get the whole community involved. And 100 tickets sold means a £30 weekly local cash prize and £2,080 a year for our school! To promote the lottery, we will be sending home a flyer with each child – please help us to spread the word by popping it through a neighbours door, advertising at your business, and telling relatives and friends about how they could be in for a chance to win, whilst raising funds for the school! We really need your help to shout about this – more players means a larger weekly prize – and more money for our children!

**You can buy tickets online at
www.YourSchoolLottery.co.uk/play
or by phone (01865 582 828).**

Our first draw is on the **16th February 2019** – sign up now to be in it and support our school!
