Dear Parents/Carers

Internet Safety and Workshops

Just to let you know that your children have attended an assembly today, to remind them about internet safety. Assemblies have been presented in phases, to enable advice to be given in an age appropriate way.

The assemblies form part of our 'Staying Safe' curriculum and today included:

- Knowing why they should not click on unidentified links.
- Knowing that they need to tell you if they come across anything on the internet that they are worried about.

The older children were also reminded how to 'block' unknown numbers and friend requests.

We would like to take this opportunity to invite you to an in-school information workshop on Wednesday 27th March 2019. We will be holding two workshops, to reach as many of you as possible. The first one will start at 9.00 a.m. and the second one will start at 2.45 p.m. Both sessions will take place in the Small Hall and we would expect them to last no longer than 30 minutes.

In the meantime, please go to the following website for information about how to keep your child safe on the internet: www.thinkuknow.co.uk.

Yours sincerely

Sarah Bradley
