WALT - use persuasive language

This week we are going to be writing persuasive letters.

What does persuasive mean?

Here are some examples...

You should buy this teddy bear because he is super soft and cuddly!

He is always smiling and will make you feel happy.

You can cuddle him when you feel sad and he will make you feel better.

He is just the right size to fit on your bed!

You should go on this holiday because there are miles of beautiful, magnificent beaches.

There are hardly any people on the beach so you can get the perfect spot to sit with your friends and family.

There are so many activities you can do on this holiday for example swimming, snorkelling, making sandcastles and playing ball games!

# Activity – role play

Can you set up a shop in your house and sell your toy or other items in your house to an adult?

You will need to use some persuasive language to convince them they want to buy a certain toy!

Write down one way you sold a item.
