

Life Cycles

A life cycle shows us the stages that a living thing goes through during its life.

All living things have a life cycle.

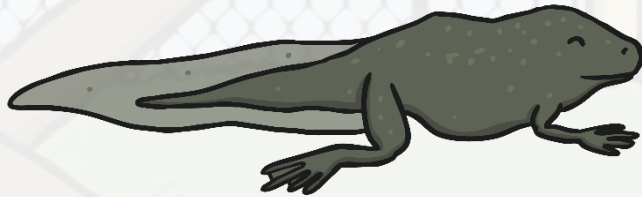

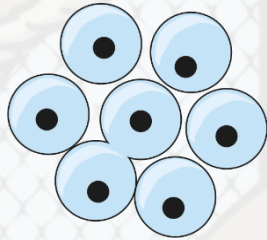

This is the life cycle of a chicken.

Life Cycles

How should we rearrange these pictures to show the life cycle of a frog?

Life Cycles

How should we rearrange these pictures to show the life cycle of a butterfly?

Life Cycles

Choose an animal.

Draw the life cycle of that animal.

Label the stages if you can.
