

Home learning tasks- guide for grown ups- 16.6.20

Please DO NOT feel like you have to do all of these tasks every day. Some days you might do all of them and some days you may not do any. These are just some ideas to keep you going for when your child ready and happy to learn.

Please do post your child's work on Tapestry. We can comment on your child's work and give them feedback. It's a great way for us to interact with each other. If you have forgotten your password/ need help logging in, please contact us via email through Mrs Wooler at head@westernroad.e-sussex.sch.uk

Looking at the images of traditional characters can you sort them into two groups of good characters/bad characters. What is the same or different about them? Can you create your own story character? Draw a picture and give them a name, will it be a bad character or good character what features will they have?

Phonics

Continue to get your child to read with you as much as possible. You can create an account on the Oxford Owl website and access lots of free ebooks. We would have been reading book bands 1,2,3 mostly at school. <https://home.oxfordowl.co.uk/books/free-ebooks/>
