

Sprowston Junior - November News

1st November, 2019

We had an enjoyable RE Day yesterday looking at the celebration of Diwali. It is always lovely to spend a day focusing on an area of the curriculum that allows for a lot of creativity. We look forward to more.

Year 5 have a display of some work at Sprowston Library, showing some writing and art work from their work in helping to create a new Children's Opera called Gobbolino, the Witch's Cat. Please have a look if you have a few minutes.

We look forward to many other enjoyable events in this busy Christmas term.

Matt Walton - Headteacher

Breakfast Club

A reminder that Breakfast Club has started and allows for pupils to be dropped off on any morning for £2.50 from 7:45am. You do not have to book. Please enter the school from the door to the cookery room at the front of the building.

Cooperative Learning - 6 Week Plan

Hopefully you will have seen the email with the Cooperative Learning newsletter this week. We will be having some sessions in classes for parents to come along to. Your child's teacher will be in touch with details of some sessions with parents.

Year 5 Caythorpe Court

Year 5 had a wonderful trip to Caythorpe Court in Lincolnshire. The residential trip continues to be a highlight of children's time at the school and this year was no different. It was lovely to hear how much the children enjoyed it in their Sharing Assembly before half-term. Well done to all Year 5; the assembly was really enjoyable and they all spoke very well about their experience. Here we have a few quotes from them:

Beth: 'It was a great time of my life.'

Jack: 'The craziest time ever!'

Tariq: 'I liked the giant swing the best.'

Sandra: 'I liked everything but particularly my friend's dancing!'

Ruby: 'I enjoyed staying awake really late!'
