

Dear Parents

Local Trips and visits- Parental Permission

During the school year, we like to take learning outside the school grounds and venture out into the village and surrounding areas to provide opportunities for the children to learn about, and from, their local community. Trips such as visiting local farms, the church, the village hall, the pre-school or walking around to explore woodland, local buildings or survey the traffic passing through the village are examples of the kind of activities the children take part in.

We will always notify you prior to these events taking place, ensuring you are fully informed about where they are going, what they will learn, who will accompany them and any clothing considerations, such as waterproof coats, that might be needed.

To save you having to fill in the same information every time we leave the school grounds, please complete the form below and return it to school as soon as possible. It will be kept on record for the entire school year.

Yours sincerely

Selina Davies
