

Alverton School Pupil Leadership

Ministers

working with Mr Hammond and Mrs Wicks

Each year, thirteen ministers are elected to the School Parliament. Their responsibilities cover different areas of school life and they are ambassadors for the school, signing a pledge once elected. They take part in interviews, show visitors around the school and help put into place the ideas from the School Council. Each term they report back to the school about what has been happening in their area.

School Council

working with Mrs O'Rourke and Mrs Clive

Two councillors are elected from each class from Year 1 to Year 6. They take any concerns or ideas from their class to the Council meetings and report back to the class.

Sports Leaders

working with Mrs Dennison

Six Year 6 pupils are chosen as sports leaders. They are trained in their role and help set up sporting events such as Sports Day, and meet with and help the PE leader.

House Captains

working with Mrs Harman

Two Year 6 pupils from each house are chosen as House Captains after an interview with members of staff. Their responsibilities are to collect team points, host house meetings and organise teams for house events.

Good Friends

working with Mrs Clemens and Mrs Clive

Two pupils from each class are voted to become the class's friendship ambassadors. They support children who are in need of a friend or someone to talk to and organise who is to be the class kindness person each week who gives out awards.

Infant Duty

working with Mrs Stacey

All our Year 6 pupils support the younger children in Reception class by being in the classroom so the children who have finished lunch have someone to help them with their coat or play with if it is wet play.

Librarians

working with Mrs Petty

Some Year 6 pupils are chosen each year as Librarians to work alongside the Library ministers. They help out in the library, for example ensuring that it all books are scanned and put away.

Mentors

working with Mrs O'Rourke

Some of our Year 5 pupils are trained as mentors to support the younger children at lunchtimes who have been identified by the class teacher as children who would benefit from individual support at playtime.

Rangers

working with Mrs Dennison

Some pupils from across the school have been selected as Rangers. They receive training which helps them to encourage children to enjoy exploring their natural surroundings and organise the Rangers Rucksacks.

The Lighthouse

working with Mrs Daylak

Our Year 6 pupils run The Lighthouse, our book shop and tuck shop. They ensure that the shop is well-stocked and serve other pupils before school and at break and lunch times. They are responsible for keeping the tuck shop stocked up by informing Mrs Daylak what is needed and count up the money each lunchtime.
