What I believe the school does well

In my opinion, Alverton School is the best.

You make this school very special.

Our daughter is really happy at Alverton and we find all the staff show genuine care and interest in her well-being.

We love the changes that have taken place this year to do with the outdoors – it's wonderful to see the apparatus and the wildlife garden and to hear about gardening at school! We feel very lucky to have these opportunities for our children to access the outdoors.

All our queries and concerns at Alverton have been met with utmost professionalism and care. The feeling of welcome and dialogue between parents and school – and that feedback is welcome – is really important to us.

We were so happy to see initiatives to encourage girls into sport – great stuff.

We think Alverton is a dynamic school with lots going on. Most importantly, our daughter really wants to go in every day. She loves it!

The internet safety advice on the newsletters has been brilliant.

We feel you foster the right dispositions and attitudes to learning.

My child is extremely happy at school. I am particularly happy with the range of clubs and facilities available to the children.

Alverton is a fantastic school.

I am really happy with Alverton School and you have helped my child's confidence enormously.

In a time of little funding, Alverton has done itself proud!

The support when my child was identified as SEND was brilliant.

Alverton School would be even better if ...

Our only concern is the use of television and screens (including in Woodlands). We are also hesitant about the use of iPads and gamified learning apps.

We continue to have concerns about sugar in school.

More opportunities for other languages to be learnt.

Sometimes it would be beneficial to have more notice about things.
