

Maths

Class 4 will be learning about shape, space and measure. This includes 2D and 3D shapes and angles. Class 4 will revisit their work on fractions and include percentage and decimal equivalents. We will continue to focus on our multiplication tables on a daily basis.

RE & PSHE

Our focus this half term is Islam. We will be learning about the five pillars of Islam and places of worship.

PE

This half term Class 4 will be taking part in netball lessons, outside and will need outdoor PE kit.

English

Class 4 will be studying the work of William Shakespeare. This will involve reading some of his famous plays and using them as inspiration for our writing. The plays we will focus on are: Macbeth, Romeo and Juliet, The Tempest and A Midsummer Night's Dream. Our writing outcomes will involve writing an argument, a newspaper report, a story and detailed descriptions.

Computing

E-Safety

This term Class 4 are learning ...

Invade, Settle, Rule

Art

Making our own Viking weapons

Science

Our topic for the half term is Forces. During this topic we will be looking at air resistance, water resistance, balanced and unbalanced forces, gravity and friction.

History

Our new topic is "Invade, Settle and Rule." The focus of our topic is The Vikings. During this unit we will learn about the main events from the chronological historic timeline. We will find out about the Viking invasions, how they lived their lives

Music

Continuing with guitar practice and Year 5 will be practicing for the Pyramid concert
