What is Fortnite?

Fortnite is an online game, Battle Royale is a part of Fortnite where players do not have to pay to play. In Battle Royal, the free segment of Fortnite, 100 players compete against each other to be the last person standing in player vs player (PVP) combat.

What age rating is Fortnite?

Fortnite has a **PEGI rating of 12**, PEGI have said this is due to the: *'frequent scenes of mild violence. It is not suitable for persons under 12 years of age'*.

This PEGI rating only takes into account the content in the game and not the contact element, where players may be exposed to swearing and offensive language from strangers in voice or on-screen text chat.

What do I need to know?

- **You need to create an account. In order to play Fortnite you have to create an account. To create this account you need to provide an email address (which you will have to verify) and display/user name. However you are not asked your age in order to create an account.**
- **You are playing against other players. As Fortnite is an online game you will play against players of different ages from across the world. You cannot turn this communication off or choose who you play against.**
- **You can make in game purchases. Although Battle Royale is free to play, other aspects of the game are not. There are packs which give you different access to the full game and extensions, bonuses and weapons. These start at £34.99 and go up to £119.99. The game does ask players to make additional in-game purchases whilst playing, though these are not required to play the game.**
- **The graphics. Fortnite does feature violence when players are in combat with each other, the animation of the game is very cartoonish, and the violence isn't bloody or gory. However, it is worth noting that the aim of Fortnite is to defeat other players by fighting against them.**
- **Where you can play. Fortnite is currently available on PC, Mac, PlayStation and Xbox , and will soon be available on IOS (apple products). It is downloadable from the Fortnite website, this download gives access to both the free and paid for versions of the game.**

Advice from Childnet.com

- **Have an open and honest conversation with your child. It's important to involve yourself in your child's online life and a simple and effective way to this is by talking to them about their life online. Try to maintain an open dialogue with your child and find opportunities to talk to them about what they love to do online. Parents can help children access the amazing resources the internet has to offer whilst keeping them safe online at the same time. Asking your child about how they play Fortnite and what they like about it is a great way to start a conversation.**
- **Play with them It may seem daunting, but one of the best things that you can do is to engage with the gaming environment and begin to understand what makes Fortnite so attractive to young people, as well as giving yourself an idea of the reporting tools available within the game.**
- **Know how to make a report On Fortnite you can report players who are behaving inappropriately by using the in-game feedback tool located in the game Main Menu, you can also make a report by emailing the creators of Fortnite.**
- **See what other people think of Fortnite Common Sense Media allow parents and young people to give their reviews of games that they have played. They have created a very useful video guide to Fortnite with footage of the gameplay involved.**
