

## Design and Technology:

We are going to make our very own pizzas to sell at Little Red's Café. We will be looking at, designing and making the pizzas

## Outcome:

Making Snacks for parents at Little red's Café!

## English:

We will read Little Red, a story based upon the Little Red riding Hood. We will investigate using adjectives and write our version of the story.

We will also be looking at and writing our Own instructions.

## Little Red's Cafe

## Science:

We will be finding out about different materials (wood, glass, metal etc.) and finding out what are the best materials for different jobs,

## Maths:

We will be investigating division, by sharing and grouping numbers. We will also be looking at money, identifying different coins and notes and making

## P.E.

In PE, we will be practising balancing in different ways, making a routine and playing competitive games

## Learning Characteristics:

We will continue to be thinking about what makes a good learner, talking to children about eloquence, grit, professionalism, expertise, humanity, spark and
