November 2019

Dear Parents/Carers

On Thursday 28th November, Year 1 will be taking part in an exciting Explorer’s Day to enhance our creative curriculum. This is part of our ‘History of Toys’ topic and will be a fun day of wonderful activities all linked to this theme.

The children will be going on an adventure from Peru to London, just as Paddington Bear did. Children are asked to come into school dressed as an explorer. There is no need to purchase costumes and if they prefer, children can wear their own clothes and bring in props that an explorer might use.

Along the way they will be tasting foods from Peru including humus, pitta bread, spicy rice and pomegranate seeds. From London, the children will taste scones and jam and marmalade sandwiches. Please inform us on the tear-off slip below if there are any reasons that prevent your child tasting certain foods (allergies etc).

A payment of £2.00 per child is required towards the cost of the food. Please send this in to school in a named envelope.

The children will also be watching part of the Paddington film, which is rated P.G. If you do not wish your child to take part in this, please inform your child’s class teacher or the school office by 9 a.m. on Wednesday 27th November.

Yours faithfully

Mr Mervyn
Headteacher
