Head Teacher's Remarks

The end of term has arrived precipitously it seems and the children are ready for a break. The excitement at this time of year is always Easter Eggs and chocolate! I am sure they will all enjoy their time over the holiday weekend.

Huge congratulations to our cross-country runners last weekend. See page 2 for the outcomes – but suffice to say we are extremely proud of the children. Thank you to all runners and supporters. Particular congratulations to Alice, who attained a finish time much faster than her seeding would have implied in the National Championships, and so contributed to an excellent result for the Buckinghamshire team.

Our girls' football team was in action this week. The game ended in a draw against Overstone – played on a very muddy pitch on Tuesday. Well done to the team and thank you to everyone who represented our school. Thanks also to the parents who so kindly transported the players. Sadly the boys' match scheduled for Wednesday was called off due a waterlogged pitch.

Year 2 had a fantastic day at Bletchley Park. I am sure those of you with children in Y2 have already heard about it at length. The class have so enjoyed their learning on World War II, and are becoming very adept at writing in code. The rest of the school spent a very busy Eco Afternoon focusing on waste and how we can reduce this. (Clearly the Government have been paying attention to Cheddington Children with their proposals around single use plastics!!)

Our Palm and Easter Service at St Giles yesterday was a lovely occasion despite the rather damp walk. It was good to pause and reflect on the Christian message. We also said our goodbye to Reverend Gill who moves on to a new parish after Easter – we wish her well.

If your child wishes to have a hot lunch, do remember that you can order now for the beginning of next term. I would also like to remind parents on children in KS1 that if your child is not in school due to an advance notice absence or school trip on a day you have ordered lunch, please would you ensure that this lunch is cancelled. Lunches not taken for these reasons are charged to the school; and sound financial management means that we may need to charge in the future. Please note that for sickness absence the school is able to notify the caterers before 9:15am for you.

I do wish you all a lovely Easter long weekend – though the weather forecast is not looking particularly spring like. I do hope you have some time to spend with your children and they will return to school refreshed and raring to go on Tuesday 17th April for the last term in their current year groups.

Mrs K. Tamlyn
Head Teacher

We are celebrating our Special Learners this year by each child having a gold star badge to wear during the following week.
