**Newsletter no.5 – 29th March 2018**

**Dear Parents, Carers and Children,**

**School News**

*Once again, this term has flown by and it is a good time to look at all of the wonderful activities the children have been up to. Through a mix of different weather conditions we have thankfully been able to continue with our Forest Schools trips which the children have all enjoyed and have enhanced their learning about our class topics. These have ranged from building castles/dens to creating dinosaurs in the woods and exploring nature.*

*You will have seen the new outside play equipment in the playground which is another great addition to our outside area. We will be opening it for the children to play on as soon as we can. There is a final safety check that needs to be completed and then it will be ready for the children to explore. The School Council met to decide which type of activities would be included in the play frame and I am sure you will agree they have made fabulous choices.*

*Please can we ask that before and after school the children and toddlers do not climb on the equipment or logs as although it is fun we are not insured if anyone were to have an accident outside of school hours. Many thanks in supporting us in this.*

*All of the children looked amazing in the Easter Bonnet Parade today—thank you for helping them with their wonderful imaginative creations.*

**Easter Bonnet Parade**
