Tuesday	PE	Set up some obstacles in your garden and kick a ball around the obstacles. Challenge yourself to kick through a gap or into a goal at the end. If you're feeling like a super challenge can you kick your ball off the ground and over something?																																				
Wednesday	PSHCE	Share stories with the other people in your house. Sharing stories allows us to remember happy times from the past and to learn about our parent's lives before we were born. What is your favourite story of your life? Can you collect the stories in a jar or a book which can then be read again and again?																																				
Thursday	Music	Can you tap in a rhythm? How many different rhythms can you make up? Can you tap along to piece of music? Can you clap and respond to another person or teach them your rhythms?																																				
Friday	PE	<p>Dances from other cultures. Using the drumming rhythm from this Blue Peter clip have a go at copying their moves and then try and create your own dance. Don't make it too complicated – choose 3 or 4 moves and then put them together in different sequences. https://www.bbc.co.uk/bitesize/clips/zstw2hv</p>
