

Writing Feedback

This is our feedback guide for writing. We use it, as appropriate, with children of all ages and stages. Children use this as well as adults. We always try to talk to each other about the feedback as we write it. Sometimes our feedback is just oral, sometimes just written and sometimes both.

Oops! Take another look at this....	Code or symbol
Missing punctuation or word	^
Check the punctuation	Ⓟ
Check the spelling	Ⓢ
Check the grammar . Are the words in the wrong order, or do you need different words?	ⓖ
New paragraph needed	//
This is where you need to check (wiggly underline)	~~~~~
Something to read and respond to	☁️
Great writing	😊 or ★
Pink adult writing	Tickled pink Something was super
Green adult writing	Green for growth Something could be better
Purple pupil writing	Purple polishing pen: this is the part which has been edited for improvement by the author

Always read your work and make sure it is your best before you get someone else to check it!

Say It!

Mathematics Feedback

This is our feedback guide for maths. We use it, as appropriate, with children of all ages and stages. Children use this as well as adults. We always try to talk to each other about the feedback as we write it. Sometimes our feedback is just oral, sometimes just written and sometimes both.

Oops! Take another look at this....	Code or symbol
Missing digit or number	^
Check this	?
Explain your thinking a little more	exp
Something to read and respond to	☁
Great aspect of maths (simple comment if required)	😊 or ★
This is where you need to check (wiggly underline)	~~~~~
Pink adult writing	Tickled pink Something was super
Green adult writing	Green for growth Something could be better
Children correct their work in pencil near the marking code	

Always read your work and make sure it is your best before you get someone else to check it!
