

## Single Equalities Policy

### Christian Vision of St Thomas' Church of England Primary School

Growing together through faith in Jesus Christ ***'Let all you do be done in love'*** (1 Corinthians 16:14).

Knowing God through Jesus in our lives let us share, experience and live happiness, laughter and joy in a welcoming, inclusive and loving Christian place.

In the eyes of God and with all your heart let us embrace opportunities to learn, achieve and celebrate success and difference.

By sharing the fruits of the spirit let us shine out for others to see that we are tolerant, respectful, wise and hopeful in this community and God's world.

In journey and love, remember ***'I am with you always'*** (Matthew 28:20)

We feel that this statement sums up succinctly what we wish to achieve at St Thomas' for our school community.

### **Our Inclusive Church School Statement**

We believe in an inclusive school – a school which does not discriminate on any level, including economic power, mental health, mental ability, physical ability, gender, age, race or sexuality. We believe in a school which welcomes, accepts and seeks the flourishing and growth of all people, both pupils and staff. We acknowledge that all people are made in the image of God and are unique and precious to him. Our school is a place where we seek to respect all people and to love one another as Jesus taught us, in the power of the Holy Spirit. **Everyone is welcome here.**

***'There is neither Jew nor Greek, there is neither slave nor free, there is no male and female, for you are all one in Christ Jesus'.***

***Galatians 3:28***

***'Love your neighbour as yourself'***

***Mark 12:31***

### **Introduction**

This equalities policy is an attempt to amalgamate all the equalities legislation into one single equality policy for St Thomas C of E Primary School.

### **Statement/Principles**

The policy outlines the commitment of the staff and Governors to promote equality. This involves tackling the barriers which could lead to unequal outcomes so that there is equality of access and the diversity within the school community is celebrated and valued.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. At St Thomas', equality is a key principle for treating all people the same irrespective of their gender, ethnicity, disability, religious beliefs/faith tradition, sexual orientation, age or any other of the protected characteristics (Single Equalities Act 2010).

This policy has been drawn up as a result of discussion within a working party and has been shared with the whole school community.

## **Legal framework**

1. We welcome our duties under the Equality Act 2010 to eliminate discrimination, advance equality of opportunity and foster good relations in relation to age (as appropriate), disability, ethnicity, gender, religion and sexual identity.
2. We welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.
3. We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

## **Monitoring and Review**

The staff member responsible for co-ordinating the monitoring and evaluation is Mr Ian Moss (Head teacher). He will be responsible for:

- Providing updates on equalities legislation and the school's responsibilities in this regard;
- Working closely with the governing body.

Supporting positively the evaluation activities that monitor the impact and success of the policy on pupils from different groups, eg. SEND, Children in Care, Minority Ethnic including EAL pupils and Free School Meals, in the following recommended areas:

- Pupils' progress and attainment
- Learning and teaching
- Behaviour discipline and exclusions
- Attendance
- Admissions
- Incidents of prejudice related bullying and all forms of bullying
- Parental involvement
- Participation in extra-curricular and extended school activities
- Staff recruitment and retention
- Visits and visitors

## **Guiding principles**

In fulfilling the legal obligations cited above, we are guided by nine principles:

**Principle 1: Everyone is of equal value.**

We see all learners and potential learners, their parents and carers and staff as of equal value regardless of:

- Sex
- Race
- Disability
- Religion or belief
- Sexual orientation
- Pregnancy
- Marital status/civil partnership
- Gender reassignment
- Age

**Principle 2: We recognise and respect difference.**

Treating people equally (Principle 1 above) does not necessarily involve treating them all the same. Our policies, procedures and activities must not discriminate but must nevertheless take account of differences of life-experience, outlook and background, and in the kinds of barrier and disadvantage which people may face, in relation to:

- Disability, so that reasonable adjustments are made
- Race and ethnicity, so that different cultural backgrounds and experiences of prejudice are recognised
- Gender, so that the different needs and experiences of girls and boys, and women and men, are recognised
- Religion, belief or faith background
- Sexual identity.

**Principle 3: We foster positive attitudes and relationships, and a shared sense of cohesion and belonging.**

We intend that our policies, procedures and activities should promote:

- Positive attitudes towards disabled people, good relations between disabled and non-disabled people, and an absence of harassment of disabled people
- Positive interaction, good relations and dialogue between groups and communities different from each other in terms of ethnicity, culture,
- Religious affiliation, national origin or national status, and an absence of prejudice-related bullying and incidents
- Mutual respect and good relations between boys and girls, and women and men, and an absence of sexual and homophobic harassment.

**Principle 4: We observe good equalities practice in staff recruitment, retention and development**

We ensure that policies and procedures should benefit all employees and potential employees, for example in recruitment and promotion, and in continuing professional development. We do not discriminate against staff because of their:

- Sex
- Race

- Disability
- Religion or belief
- Sexual orientation,
- Pregnancy
- Marital status/civil partnership
- Gender reassignment
- Age

### **Principle 5: We aim to reduce and remove inequalities and barriers that already exist**

In addition to avoiding or minimising possible negative impacts of our policies, we take opportunities to maximise positive impacts by reducing and removing inequalities and barriers that may already exist between:

- Disabled and non-disabled people
- People of different ethnic, cultural and religious backgrounds
- Girls and boys, women and men.

### **Principle 6: We consult and involve widely**

We engage with a range of groups and individuals to ensure that those who are affected by a policy or activity are consulted and involved in the design of new policies, and in the review of existing ones. We aim to consult and involve:

- People as well as non-disabled
- People from a range of ethnic, disabled cultural and religious backgrounds
- Both women and men, and girls and boys.

### **Principle 7: Society as a whole should benefit**

We intend that our policies and activities should benefit society as a whole, both locally and nationally, by fostering greater social cohesion, and greater participation in public life of:

- Disabled people as well as non-disabled
- People of a wide range of ethnic, cultural and religious backgrounds
- Both women and men, girls and boys

### **Principle 8: We base our practices on sound evidence**

We will maintain and publish quantitative and qualitative information about our progress towards greater equality in relation to:

- Disability
- Ethnicity, religion and culture
- Gender.

### **Principle 9: Objectives**

We formulate and publish specific and measurable objectives, based on the evidence we have collected and published (principle 8) and the engagement in which we have been involved (principle 7), in relation to:

- Sex
- Race

- Disability
- Religion or belief
- Sexual orientation,
- Pregnancy
- Marital status/civil partnership
- Gender reassignment
- Age

Every three years, accordingly, we draw up an action plan within the framework of the overall school improvement plan and processes of self-evaluation, setting out the specific equality objectives we shall pursue. The objectives which we identify take into account national and local priorities and issues, as appropriate.

We keep our equality objectives under review and report annually on progress towards achieving them.
