

School is different

Most of the time

I go to school and

all of my

friends

and teachers are at school.

At the moment

some of

my friends

and teachers

cannot go to

school.

They might be

feeling poorly.

I can

go to school

because

I feel

healthy.

I will see

I will see

I will see

some of

my

teachers

and

friends

at

school.

At school,

we will

still

learn

and have

fun.

If I am feeling unsure, I can use my visual timetable to

know what is going to happen.

If I am feeling worried and in the yellow zone, this is OK.

I can speak to my teacher and they will help me.

When my other teachers and friends are feeling better, they

will come back to school.
