

Welcome to Year 5

Dear Parents/Carers

We would like to take this opportunity to welcome you back after the summer holidays!

Overleaf you will find your Parent Information Sheet giving you a sneak preview into our work for the coming term. We have also included some important information in the boxes below for you to read.

If you have any concerns about your child please do not hesitate to come in and have a chat with us.

Mr Gosling and Mrs Boden (Year 5 Team)

Reading

All children should read for around 15 minutes every evening. For most children this will mean around 1 chapter a day. The class target for number of books read is 12 per term.

If your child reads to themselves, it would be much appreciated if you would ask them a couple of questions to check their understanding of what has been read.

Our focus for reading at home is understanding and enjoyment and it would be fabulous if you could encourage this!

Homework

Children will receive spelling homework every Monday, this is in preparation for our spelling challenge on Friday.

Maths/English homework will be given out on Friday to be returned the following Friday.

In addition to this the children may be given a research task to complete at home.

We really appreciate your support with our home learning.

PE

PE will be taught on Tuesday.

Please ensure both their uniform and PE kit are all labelled!

Thank you for your continued support!
