6th July 2020

Dear Parents/Carers,

As we draw to the end of the current school year, plans are already being made for the new academic year. This includes updating our staffing structure and saying fond farewells and giving warm welcomes to new members of staff.

I am delighted to share with you that Mrs Sheron will be undertaking a secondment opportunity as Acting Deputy Headteacher at a local primary school as of September for twelve months. Whilst Mrs Sheron is very excited to take on her new role, she is sad to leave behind our staff, pupils and families after 24 years' service at St. Stephen's. I am sure you will join me in wishing Mrs Sheron the very best of luck with this wonderful opportunity where I am sure she will go on to be very successful in her new adventures!

Mrs O'Regan has recently begun her maternity leave and I am pleased to share with you that her baby boy was delivered safely last week and mum and baby are both doing well. Mrs O'Regan will return to school later in the next academic year. Miss Parker will be back in school briefly in September before she also begins her maternity leave. We are delighted to welcome Miss Williams and Miss Boardman to the teaching team in September. Both teachers are very excited to join St. Stephen's, meet their new classes and become fully involved in school life.

We will also be saying a goodbye to Mrs Szanto and Miss Kelly at the end of this term. We thank them both for their efforts during their time with us and wish them both well for the future.

A full copy of the staffing structure for the next school year can be found overleaf. We look forward to a new and prosperous school year particularly in light of the difficult times we have all faced since March. It will be an absolute pleasure to have all of our children and staff back in school from Thursday 3rd September.

Yours sincerely,

Mr. Hatton
