This week's news...	Y2 Class Bubble	Anti-Bullying Week
<ul style="list-style-type: none"> We welcomed Mrs Kelly on to our staff team this week. She brings along a wealth of experience to St. Stephen's and has spent the week getting to know our children as she begins her new role supporting the social, emotional and mental health needs of our pupils. Thank you for all of the feedback we have received from our parent/carer surveys. We will share the results with you next week. Thanks to the generosity of our families, we are pleased to announce we have raised £180.51 for Children in Need. Y2 recorded their Come and See assembly earlier this week. It is available to watch on the Y2 page on our school website. 	<p>Our Y2 class bubble are currently self-isolating until Tuesday 1st December. School have followed all Public Health and DFE guidance and are in constant contact with the Local Authority.</p> <p>All pupils are expected to complete the daily work set on Seesaw by Mrs Doyle, Mrs Georgiou and Mrs Harper.</p> <p>Obviously we do not expect any children who are unwell to complete the tasks.</p> <p>If any children do become unwell or develop any COVID-19 symptoms then please contact Mr Hatton in school.</p>	<p>This week saw the annual celebration of Anti-Bullying Week.</p> <p>The theme of the week was 'United Against Bullying.'</p> <p>Thank you to all of the children who wore odd socks on Monday to launch the week as they expressed themselves and celebrated their individuality and what makes them all unique!</p> <p>Y6 took part in a drama workshop this week on the theme of anti-bullying which was recorded and shared with all classes across the school. All classes have taken part in anti-bullying activities this week in a variety of different formats.</p>

<p>We are constantly reviewing our risk assessments in line with changing guidelines. We aim to reduce cross contamination in school as much as possible.</p> <p>Therefore, in the interest of pupil and staff safety, we have taken the tough decisions to:</p> <ul style="list-style-type: none"> Ask families not to send in any cakes or sweets to be shared out with your child's class mates to celebrate their birthdays. Ask children not to bring in Christmas cards to hand out to their friends/teachers. <p>Arrangements will be made in classes for cards to be made in class bubbles to share.</p>	<p>A gentle reminder to our Y6 families that the final instalment of £75 for the planned trip to the Kingswood Centre, Colomendy is due by Friday 4th December.</p> <p>Thank you to those families who have already sent this into school.</p> <p>As it stands, the trip will still go ahead from Wednesday 24th March to Friday 26th March 2021. If anything changes before that time then we will inform parents/carers immediately. We will follow guidance and risk assessments provided by the centre. Following the success of our first visit to the Kingswood Centre last year, we know the children will have a wonderful time with their friends and learn some exciting, new skills.</p>	<p>We need your help! As we approach Christmas and everyone is getting organised with presents, if you shop online, please could you sign up to easyfundraising to support our school?
