

Dear Parents/Carers,

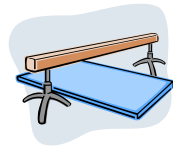

We can't believe your children have completed their first full term in Reception! We are so proud of the progress they are all making in every area.

We have been using Tapestry to record evidence on your child's progress and school journey since September. Our aim is to roll this out to parents/carers soon.

Please know that our door is always open if you have any worries or need to see us about anything at all.

Many thanks

If your child is confident to come into class on their own, please encourage them to do so. Please don't worry if they are not quite at this stage yet.
