# Year 1 Autumn Term

Dear Parents/Carers,

Welcome to Year 1! We are pleased to say how well the children have settled back into the routine of school after the summer holidays. The first few weeks of Year 1 is all about transition. To help ease them into this, we have set up familiar continuous provision areas for them to access such as maths and writing areas and an outside space too. Overleaf, you can see what we will be working on this Autumn. We look forward to working together.

Please do not hesitate to speak to us over any concerns, our door is always open.

## Homework

This half-term please focus on reading with your child. After half-term we shall be sending home spellings and maths activities to work on.

## Reading

In Key Stage One, children are listened to twice independently and twice as part of a Guided Reading group. This will give us plenty of opportunities to hear how the children are progressing and to be able to change their reading books when needed. Please try to read for **10 minutes** per night and sign their reading records. We have set a target to read 12 books this half-term.

## Snack

The children will get a piece of fruit or vegetable free of charge for morning break. Milk is also available so please make sure your Parent Pay account has funds for this. Please ensure children have a water bottle with **water** in it.
