

Year 4 Spring Term Newsletter

Happy New Year!

Dear Parents/Carers,

May we take this opportunity to say 'Happy New Year' and a great big thank you for all of your lovely cards and gifts at Christmastime. We have a busy term ahead as always and our aim is to ensure all of your children learn lots of new things and have much success. Your support is valuable to us so, if you have any concerns or worries about your child, please do not hesitate to come in and have a chat with us.

The Parent Information Sheet overleaf gives you a sneak preview into the work your child will be doing this term and some important 'bits and pieces' of information are in the boxes below.

Mrs O'Regan and Mrs Ridpath (Year 4 Team)

Homework

Weekly Maths and English homework activities are available online.

Maths—<https://trockstars.com/> English— <https://www.spellingshed.com/en-gb>

Each child has their own username and password.

The key to success is 'little and often'.

If there are any problems, please let us know.

Times Tables

The National Curriculum states that children should know all of their multiplication tables up to 12x12 by the end of Year 4. In June, all Year 4 children across the country will sit a multiplication check to test this. Therefore, it will help your child greatly if you could help them to practise further at home.

Reading

Daily reading at home is vital to the success of the children across the curriculum. School policy states that children should read each evening from Monday to Thursday and once at the weekend. A couple of pages a day is all that is needed.
