

Year 5 Home Learning Tasks

Due to our school closure, as directed, you are asked to complete the following tasks, as best you can on a daily basis:

Reading for Pleasure	Read as much and as often as you can whether it be your reading book or books you have at home. Please make sure you keep a log of your reading in your red reading record.
Online Reading	Access Read Theory activities for 15-20 minutes each day using your login details. This will help you keep on track with your reading, boost your comprehension skills and improve your vocabulary!
Writing	<p>Create a fictitious diary to keep a log of what your characters/s get up to. Make it as exciting and adventurous as you can. A pencil and a home writing book has been provided for you.</p> <p>Why not watch clips on CBBC Newsround to give you some ideas?</p> <p>Additionally, I have provided some YouTube links to videos for other writing activities:</p> <p>(Persuasive speech – Is technology making our lives better or worse?)</p> <p>https://www.youtube.com/watch?v=7rbDlx69ORE&list=RDQMvk1sh3pRMEY&index=26</p> <p>(Narrative – You are a spy disguised as a bird watcher)</p> <p>https://www.youtube.com/watch?v=9jQnvLdXbGA</p>
Spelling	Access a Spelling Shed activity for 10-15 minutes each day using your login details. I will upload a weekly spelling list.
Maths	<p>Access TT Rockstars for 10-15 minutes each day using your secure login and password to keep working on your times tables skills.</p> <p>I will also upload maths activities on to Seesaw frequently which you can have a go at completing.</p>
Creative Curriculum	We have been learning all about Mayans. Use some of your free time throughout the week, not necessarily each day, to research into why jade was important to the Mayans. Make a poster/Powerpoint presentation all about it. Additionally might lead to you designing and making some craft ideas linked to the topic!

In addition, you have been provided with a login code to access Seesaw at home on your computer/phone/tablet if possible. If you are particularly proud of any of your home learning activities, you are more than welcome to upload them onto Seesaw for me to see.

Mr Gosling
