Apologies for Short Newsletter

As you may be aware, the school has been without any systems all day so we have been unable to write our usual newsletter. We've put together the most important points for the coming week to help you plan. We will (hopefully!) be back to normal next week.

KS2 Invitation to Lunch

If you asked to come in to school to enjoy a meal from Carol with your child, you should have received a confirmation in your child's bookbag if you were successful. Please remember that both parent and child **MUST** have a dinner from Carol. There are still a few spaces on certain days for KS2 so please let Carol know if you'd like to come along.

St Mary's Christmas Fayre

St Mary's Church is holding it's Christmas Fayre on Saturday 24 November from 11am—2 pm with lots of stalls, crafts, children's activities to make and take away, plants and tombola so please call in if you can.
